## OWNERSHIP STATEMENT

This document, the data contained in it and copyright therein are owned by Bayer CropScience. No part of the document or any information contained therein may be disclosed to any third party without the prior written authorisation of Bayer CropScience.

The summaries and evaluations contained in this document are based on unpublished proprietary data submitted for the purpose of the assessment undertaken by the regulatory authority. Other registration authorities should not grant, amend, or renew a registration on the basis of the summaries and evaluation of unpublished proprietary data contained in this document unless they have received the data on which the summaries and evaluation are based, either:

- From Bayer CropScience; or
- From other applicants once the period of data protection has expired.

This document is copyright Bayer CropScience. Any distribution, reproduction or publication of this document without the prior written consent of Bayer AG (or its respective registration authorities) is prohibited and constitutes a violation of the underlying license agreement.

### Version history

Date	Data points containing amendments or additions <sup>1</sup> and brief description	Document identifier and version number

<sup>1</sup> It is suggested that applicants adopt a similar approach to showing revisions and version history as outlined in SANCO/10180/2013 Chapter 4 How to revise an Assessment Report
