List of additional safety relevant documents which led to the
European approval under Council Directive 91/414/EEC

OWNERSHIP STATEMENT

This document, the data contained in it and copyright therein are owned by Bayer and/or affiliated entities.

No part of the document or any information contained therein may be disclosed to any third party without the prior written authorisation of Bayer and/or affiliated entities.

The summaries and evaluations contained in this document are based on unpublished proprietary data submitted for the purpose of the assessment undertaken by the regulatory authorities. Other registration authorities should not grant, amend, or renew a registration on the basis of the summaries and evaluation of unpublished proprietary data contained in this document unless they have received the data on which the summaries and evaluation are based, either:

- From Bayer or respective affiliate; or
- From other applicants once the period of data protection has expired

*This document's copyright protection requires
Any distribution, reproduction or publication of its content for regulatory or consumer
the consent of Bayer AG or its respective affiliate and constitutes
Any use of the document or its content for regulatory or consumer
any other commercial purpose is prohibited and constitutes
a violation of the underlying license agreement.*

List of additional safety relevant documents which led to the European approval under Council Directive 91/414/EEC

Year	Title Source (where different from company) Company name, Report No., Date
1997	Trifluoroacetic acid: a position statement on the herbicidal effects of this compound on a range of crops and weed species when applied as pre- and post-emergence treatment in the glasshouse. UK March 1997 [Redacted] Report No.: C047117 Edition Number: M-247815-01-1 Date: 1997-01-01
1989	A pilot reproduction study in the mallard duck (<i>Anas platyrhynchos</i>) with RE 9685 technical [Redacted] Report No.: R001508 Edition Number: M-160691-01-1 Date: 1989-12-15
2002	Predicted Environmental Concentrations in Groundwater (PEC _{gw}) of Flurtamone and its metabolites TFMBA and TFAA using the FOCUS groundwater scenarios [Redacted] Report No.: C025031 Edition Number: M-28524-01-1 Date: 2002-09-20
1993	Metabolism of 14C-Flurtamone in Laying Hens [Redacted] Report No.: R001 Report includes Trial No. EC-92696 Edition Number: M-01198-01-1 Date: 1993-03-31
1995	Simulation of the fate of Flurtamone in the soil by PELMO 2.01 [Redacted] Report No.: C016887 Edition Number: M-203238-01-1 Date: 1995-04-18

List of additional safety relevant documents which led to the European approval under Council Directive 91/414/EEC

Year	Title Source (where different from company) Company name, Report No., Date
1994	Worker exposure assessment for flurtamone formulations in France (Bacara). [Redacted] [Redacted] Report No.: R002595 Edition Number: M-162979-01-1 Date: 1994-01-17
1994	Nickel: Herbicide de prelevée sur: tournesol, pois protéagineux de printemps. [Redacted] [Redacted] Report No.: R002235 Edition Number: M-162243-01-1 Date: 1994-01-01
2005	Trifluoromethylbenzoic acid (TFMBA): Induction of micronuclei in the bone marrow of treated mice [Redacted] [Redacted] Report No.: 2014/91-D6172 Edition Number: M-263165-01-1 Date: 2005-12-08
2005	Trifluoromethylbenzoic acid (TFMBA): Measurement of unscheduled DNA synthesis in rat liver using an in vivo/in vitro procedure [Redacted] [Redacted] Report No.: 2014/92-D6173 Edition Number: M-863170-01-1 Date: 2005-12-01
2005	Trifluoromethylbenzoic acid (TFMBA) - Induction of chromosome aberrations in cultured human peripheral blood lymphocytes [Redacted] [Redacted] Report No.: 2014/86-D6172 Edition Number: M-260713-01-1 Date: 2005-10-18
2005	Trifluoromethylbenzoic acid (TFMBA) - Mutation at the thymidine kinase (tk) locus of mouse lymphoma L5178Y cells (MLA) using the Microtitre fluctuation technique [Redacted] [Redacted] Report No.: 2014/87-D6173 Edition Number: M-260746-01-1 Date: 2005-08-24

List of additional safety relevant documents which led to the European approval under Council Directive 91/414/EEC

Year	Title Source (where different from company) Company name, Report No., Date
2005	Trifluoromethylbenzoic acid (TFMBA): reverse mutation in five histidine-requiring strains of Salmonella typhimurium [REDACTED] [REDACTED] Report No.: 2014/85-D6171 Edition Number: M-255644-01-1 Date: 2005-07-26
1989	A pilot reproduction study in the bobwhite quail (Colinus virginianus) with RE-49885 technical [REDACTED] [REDACTED] Report No.: R001504 Edition Number: M-160682-01-1 Date: 1989-12-15
1993	Anaerobic Aquatic Metabolism of [¹⁴ C]Flurtamone [REDACTED] [REDACTED] Report No.: R002228 Report includes Trial Nos. 44282 EC-92-192 Edition Number: M-62234-01-1 Date: 1993-12-29
1995	Aclonifen - flurtamone Formulation EXP 30985A (SC) - Trials conducted in France 1994 - Residues in sunflower (seed) [REDACTED] [REDACTED] Report No.: C078887 Report includes Trial Nos.: 94-561 Edition Number: M-162868-01-1 Date: 1995-04-20
1994	Aclonifen-flurtamone - Formulation EXP 30985A (SC) - Trails in France 1994 - Residues in pea (sugar pea and canning pea) [REDACTED] [REDACTED] Report No.: 94-575 Edition Number: M-162778-01-2 Date: 1994-12-13
